

Ohio District One, Cleveland Diocese Basket Raffle Information

NAVIGATORS: It is time to start planning for your Assembly's raffle basket donation for the Fall Exemplification. The proceeds from the raffle help defray Exemplification costs. Below are some guidelines and tips to ensure the raffle is enjoyable and successful:

GUIDELINES:

- 1) Your Assembly is asked to provide a quality basket for the Exemplification.
- 2) You may deliver the basket before the start of the Exemplification.
- 3) An itemized listing of contents and approx. value should be attached to the outside of basket. *Please also list your Assembly name for proper recognition.*
- 4) Basket winners will be announced as part of the Exemplification dinner program. Winners do not need to be present to win. However, they must designate someone to claim their prize as baskets will not be delivered to winner.

TIPS:

Although many donate a traditional basket of items, also welcomed are baskets of store, gas or restaurant gift cards from major chains or even lottery tickets.

Many Assemblies plan a fund raiser to defray the cost of the basket such as a 50/50 raffle at meetings or a benefit dinner. Local merchants, especially K of C member-owned or parishioner-owned are a great sources for donations.

Some Assemblies choose a chairperson. They are responsible for purchase of items or delegating of specific items for others to collect/purchase.

THANK YOU FOR YOUR SUPPORT OF OHIO DISTRICT ONE !!!
